We address items that relate specifically to non-profit organizations, homeless, and disability advocate groups who assist individuals with Social Security. We inform you about the options Social Security offers to assist you such as online, on the phone, or in person in a local office.

Topics include:

- Social Security programs for individuals with disabilities and those planning for retirement
- eServices, including how to file for benefits
- Obtaining a Social Security card/replacement card
- Medicare and the various enrollment periods
- How to contact SSA for assistance

We ask that you share the webcast information with your members, colleagues, and other interested parties. For more information on Social Security's initiatives and programs, please visit our website at <http://www.socialsecurity.gov>.
